

SKYLARKING CLERKS AT THE CITY HALL ARE CALLED TO EXPLAIN

They Overturned a Bottle of
Red Ink During Scrimmage
and Started Murder Story.

An investigation was begun to-day into the scrimmage among some of the clerks in the bureau of marriage licenses, directly under the office of the Mayor, in City Hall, which resulted in

rumors that a murder had been committed. The bureau of marriage licenses was the only public office in the City Hall which remained open yesterday. The others were closed on account of the funeral of Mayor Gaynor. Late in the afternoon, after an unusually dull day, restive clerks began skylarking among themselves, the office being clear of prospective brides and bridegrooms. In the melee, which is said to have been only in sport, a ten-gallon bottle of spring water was overturned from its precarious perch atop an ice cooler, several chairs were overturned and papers were scattered over the floor. A bottle of red ink on the window sill in the cashier's office, facing the western side of City Hall Park, went through a small window pane and was smashed, the ink leaving decidedly crimson stains along the white woodwork and running down the granite outside the office. Persons in City Hall Park, which was almost deserted off the time, saw the act. At the cashier's window, the red ink was seen running down the granite outside the office.

marks along the woodwork of the window. Ignorant of the fact that the clerks were merely skylarking among themselves, several persons declared a murder was being committed, and one excited man dashed into the office of the police traffic squad at the other end of the basement and wanted the rescue called out. But it wasn't necessary.

Discomfort After Meals

Feeling oppressed, with a sensation of stiffness and belching of wind are symptoms of indigestion. With time there will be constipation, flatulence, of the blood in the head, nervousness, headache, dizziness, of food, flatulence of the heart, choking sensation, distention on rising, pain or weight before the night, yellowness of the skin, pain in the side, chest, limbs and sudden flashes of heat. A few doses of

Radway's Pills

will aid in forcing the system of all the three named diseases. Purely vegetable. At all drug stores or by mail. RADWAY & CO., NEW YORK.
